

176 ROOMMATES WANTED

SELF-ORGANIZED STUDENT AND TRAINEE DORM IN HEIDELBERG

WHO WE ARE

We are a group of around 30 young people and since 2013 we are working towards a self-organized dormitory in Heidelberg (Rohrbach). It is our goal to offer affordable housing while also making a free space for education and culture in an ecological context. We are part of the international “Mietshäuser Syndikat” (apartment-house syndicate).

WHO WE ARE SEARCHING FOR

Maybe you are searching for a room because you are studying in Heidelberg or starting an apprenticeship? Or maybe you are excited about living in a big community? Or you are just looking for something new and different? For us only one thing is important: That you want to take your life in your own hands together with other people.

HOW TO JOIN

Take a look at our mission statement and with the idea of the “Mietshäuser Syndikat”. If you like those ideas we are looking forward to your application to one of the rooms. A formal requirement is that you are either studying, in an apprenticeship or doing a doctorate.
